WASHINGTON, D.C.,
August 27, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Hair Cloth Manufacturing Industry. Notice of Opportunity to be Heard on this amendment was published on June 27, 1934; no objections were received within the given fifteen (15) day period ending July 11, 1934. The amendment, which is attached, was presented by duly qualified and authorized representatives of the Industry, complying with statutory requirements and being the duly constituted Code Authority under the provisions of the said Code for said Industry.

This amendment provides for assessment of the members of the Hair Cloth Manufacturing Industry to defray the expenses of the Code Authority, as set forth in Executive Order No. 6676, dated April 14, 1934.

The Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter;

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The Code Authority is empowered to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons this amendment has been approved.

Respectively,

HUGH S. JOHNSON,
Administrator.

AUGUST 27, 1934.

Article VI, Section 4, is hereby amended to read as follows:
4. (a) It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to enforce the policy of the Act, the Code Authority is authorized:
(1) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;
(2) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary, an estimated budget of its estimated expenses for the foregoing purposes; and (3) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry.
(4) After such budget and basis of contribution have been approved by the Administrator to determine and obtain equitable contribution as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.
(5) Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinafter provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the Industry complying with the code and contributing to the expenses of its administration as hereinafter provided, shall be exempted from making such contributions, shall be entitled to participate in the selection of members of the Code Authority or to serve the term of any of the voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.
(6) The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the actual amount contained in the approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deliberate item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
